All our food is freshly cooked to order, and this is something we pride ourselves on. With that in mind there may be a wait, should you be in a rush please do ask the staff of the wait time before you order.

All our meat comes from our own farm shop butcher and predominantly from our own organic farm, which also supplies all of our organic eggs. On occasion, meat may come from one of our trusted suppliers within 12 miles of our shop. Similarly, all our fish comes from our own fishmongers and is sourced daily from Brixham, this does mean that occasionally we can run out, apologies if this happens, hopefully you can be tempted by something else.
